

And they that shall be of thee shall build the old waste places: thou shalt raise up the foundations of many generations; and thou shalt be called, The repairer of the breach, The restorer of paths to dwell in.

Isaiah 58:12

A note from Dr. Sal Yannizzi, Pastor

As we enter the Christmas season we are reminded of just how much God loved this world. I will be eternally grateful to God for giving the greatest gift to mankind, His only begotten Son. Salvation does grow sweeter as the day goes by.

I am writing to you with a cause. It is not my cause, but one I believe the Lord has laid upon our hearts. It is a burden for the broken youth of our day. The number of this group is growing so rapidly that it is hard to comprehend the need. The Need however is great and we must do something.

The Lord laid upon the heart of Dr. Anthony Fusco the burden of helping these needy, broken people. This is not in place of what the Local Church is commissioned to do. Rapha House Ministries is a Local Church Ministry designed to assist us in ways that we cannot as a Church begin to work. I believe the need for such a ministry cannot be overlooked.

However, we cannot do it without your help. The Lord has lead us to what we believe is the perfect location for Rapha House Ministries. However, we need to raise the money to purchase the building and the money to renovate it before we can begin. This is where we need your help. I know that we as Pastors have our own burdens and projects to fund, but would you at least consider the Rapha House Ministries. Maybe a one time gift or monthly support from your missions account could be a consideration.

I often hear the words of the Psalmist when he cried "No man cared for my soul." Psalm 142:4. Let it not be said of us that we don't care. Our Nations youth need our help. Would you please consider helping Rapha House Ministries? Thank you for your consideration in this matter.

Sincerely

Dr. Sal Yannizzi, Pastor

Praise

This past month has been an exciting one for us. Two churches have taken us on for support as well as two individuals. God has been blessing and using us to help church members deal with issues of the heart.

In four of the last five churches that we have visited, people again have come to us and shared their story of hurt due to sexual abuse and their eventual victory through forgiveness. These people represent the few that have obtained the victory by the grace of the Lord Jesus Christ.

I question and ask, "How many have not made it?" The number is probably staggering. With one out of every three women being the victims of sexual abuse, we expect that this will be at the root of the problems in the lives of the girls that will come to Rapha House. We praise the Lord for the victories, but earnestly desire to deliver those who are still bound.

Prayer

...The effectual fervent prayer of a righteous man availeth much. **James 5:16**

- Our long trip vehicle has broken down and is in need of repair
- A multiple CD duplicator
- Large gifts towards the building's purchase
- Three day conferences scheduled so that issues of the heart can be addressed and that we may have a greater effect in the lives of God's people

Thank you for your prayers and support.

Merry Christmas

Anthony Fusco
